Consideration of Assembly Amendments

Senate Bill No. 182—An act to repeal Division 9, except Section 9053 thereof, of, and to add Division 9 to, the Public Resources Code, relating to soil and water conservation, creating the Division of Soil Conservation in the Department of Natural Resources and prescribing

its duties and functions, prescribing the duties and functions of the State Soil Conservation Commission, and regulating the organization, government, operations, finances, and functions of soil conservation districts, and making an appropriation.

The question being: Shall the Senate concur in the following Assembly amendments to Senate Bill No. 182?

Amendment No. 1

In line 9 of the title of the printed bill, as amended in the Senate May 17, 1955, after "districts", insert ", and making an appropriation".

Amendment No. 2

On page 6, between lines 11 and 12, insert

"9047. All money available, including money which becomes available after the effective date of this Division 9, for expenditure by any department, division, board, authority, commission, or officer or employee thereof, to be used in the administration of any function, the exercise of any right, or performance of any duty, which function, right or duty is transferred by this Division 9, shall be transferred to the department, commission, division, board, authority, or officer or employee thereof which is to administer the function, exercise the right, or perform the duty."

Amendment No. 3

On page 6, between lines 40 and 41, insert

"9051. All money contributed to the commission shall be paid into the State Treasury to the credit of the Soil Conservation Development Fund, which fund is hereby created. Such money shall be paid out upon the order of the commission.

9052. The Soil Conservation Commission Fund and the Soil Conservation Equipment Revolving Fund are abolished. The State Controller shall transfer the balances remaining therein to the Soil Conservation Development Fund, and all appropriations heretofore or hereafter made from, and all sums payable or returnable to, the Soil Conservation Commission Fund or the Soil Conservation Equipment Revolving Fund, shall be payable from, or to, the Soil Conservation Development Fund.

9053.1. The commission may purchase with money from the Soil Conservation Development Fund and rent to a district or sell, on a rental-purchase agreement or otherwise, to a district equipment and machinery suitable for work relating to soil conservation, including ditching machinery, grading machinery, soil-moving machinery, tractors, and other machinery and equipment useful for the actual operations of soil conservation projects and equipment, machinery, and buildings suitable for servicing, repairing, maintaining, transporting and housing of that equipment. Of the money made available to the commission under this article not more than 25 percent shall be used for the purchase of equipment, machinery and buildings suitable for servicing, repairing, maintaining, transporting or housing equipment. Nothing in this article prohibits the purchasing of equipment of any kind from a district. Of the money available to the commission to carry out the provisions of this section, the commission shall limit the equipment which may be purchased under this section by any one district to approximately fifty thousand dollars ($50,000), but in no case shall the amount exceed sixty thousand dollars ($60,000) for any one district. In the event any district already possesses more equipment that the limits herein provided, the commission shall reduce the equipment purchased by the district to conform to the limits herein provided, by January 1, 1956.

Nothing in this section shall prohibit the commission from purchasing or holding equipment in its possession which it deems vital to the needs of the soil conservation districts and renting such equipment at rental rates approved by the Department of Finance to any soil conservation district.

Any equipment not purchased or held by the commission shall be sold prior to January 1, 1956 by the Department of Finance for the best price obtainable in cooperation with the State Soil Conservation Commission. Funds received from the sale of such property and equipment shall be used first to pay any amounts due the State Soil Conservation Commission on account of that property and equipment by reason of either a cash loan or rental agreement, second to pay any amounts due the State for loans made available by the Department of Finance, and any balance shall be available for expenditure for district purposes."

PROCEEDINGS UNDER CALL OF THE SENATE
CONSIDERATION OF DAILY FILE (RESUMED)
UNFINISHED BUSINESS (RESUMED)

Consideration of Assembly Amendments

Senate Bill No. 432—An act to amend Section 24070 of, and to add Sections 24070.1, 24070.2, and 24070.3 to, the Business and Professions Code, relating to alcoholic beverage licenses.

The question being: Shall the Senate concur in the following Assembly amendments to Senate Bill No. 432?

Amendment No. 1

In line 1 of the title of the printed bill, as amended in Senate May 16, 1955, after "of", insert ", and to add Sections 24070.1, 24070.2, and 24070.3 to,".

Amendment No. 2

On page 1, line 3, after "license", insert "issued prior to January 1, 1954, and held by a licensee on December 31, 1953,".

Amendment No. 3

On page 1, line 4, after "person", insert "who is qualified to receive a license, and remains transferable from person to person until January 1, 1965,".

Amendment No. 4

On page 1, strike out lines 8 to 23, inclusive, and insert "tion 24071. On and after January 1, 1965, no such license shall be transferable from the licensee to another person, except as provided in this section and in Section 24071. On and after January 1, 1965, any person who desires to purchase the business of a licensee may file an application with the department designating the intended transferor of the business, the premises upon which the business is conducted and furnishing such other information as may be required by rule or regulation. The department shall investigate the transaction between the licensee and the intended transferee and shall satisfy itself that no part of the purchase price which is paid with respect to the transfer of the licensee's business is attributable to or compensation for the transfer of the license with respect to the premises upon which the business is conducted. If the department approves the transaction, and if the intended transferee meets the requirements of this division, it shall issue a license to the intended transferee, said license to be delivered upon the completion of the transfer of the premises and the cancellation of the existing license.

Such a license shall not be transferable from the licensee to another person under any of the following circumstances:

(a) If it was procured by the use of fraud or misrepresentation and the license is still held by the licensee guilty of the fraud or misrepresentation.

(b) If the licensee attempting to transfer the license has, since January 1, 1955, had the license suspended three or more times by the department within a period of three consecutive years.

(c) If the license is under suspension, or investigation by the department for disciplinary action.

SEC. 2. Section 24070.1 is added to said code, to read:

24070.1. Any license issued on or after January 1, 1954, or any license which had been surrendered to the department prior to January 1, 1954, and was held by the department for the licensee on that date, shall not be transferable from the licensee to another person, except as provided in this section and in Section 24071. On and after January 1, 1954, a license which is subject to the provisions of this section may be issued to the transferee of a licensee's business in the same manner and subject to the same conditions as provided in Section 24070 with respect to the transfers of businesses on and after January 1, 1965.

SEC. 3. Section 24070.2 is added to said code, to read:

24070.2. Any attempt to transfer a license in violation of Section 24070 or Section 24070.1 is a ground for revocation of the license by the department.

SEC. 4. Section 24070.3 is added to said code, to read:

24070.3. Any corporation holding a license shall report to the department any transfer of its corporate stock involving 25 percent or more of said stock in one transaction and any partnership holding a license shall report to the department any change in the membership thereof. Such reports shall be made in writing in duplicate to the department at a date not more than 10 days following the transfer of the stock or the change in membership, as the case may be.

Any change in stock ownership or in the membership of a partnership which, in the judgment of the department, is in effect an attempt to transfer the license in violation of Section 24070 or Section 24070.1 is a ground for revocation of the license by the department."

Motion to Strike From File

Senator Berry moved that Senate Bill No. 432 be stricken from the file.

Motion carried.

"SECTION 1. The Legislature finds and declares that in order to provide an adequate administrative agency to meet the many major complex problems in effectuating the constitutional mandate that the water resources of the State be put to beneficial use to the fullest extent of which they are capable it is necessary to create a Department of Water Resources.

SEC. 1.5. Section 22 of the Water Code is amended to read:

22. "Department," unless otherwise specified, means the Department of [Public Works] *Water Resources.*

SEC. 2. Section 23 of said code is repealed.

SEC. 3. Section 23 is added to said code, to read:

23. Unless otherwise specified "board" means the State Water Board; "director" means Director of the Department of Water Resources.

SEC. 4. The title to Article 1, Chapter 2, Division 1 of said code is amended to read:

Article 1. [State Administrative Agencies] *Department of Water Resources*

SEC. 5. Section 110 is added to said code, to read:

110. There is in the State Government a Department of Water Resources.

SEC. 6. Section 111 is added to said code, to read:

111. Except as provided to the contrary in Divisions 2 and 3 of this code, the Department of Water Resources shall succeed to and is hereby vested with all of the powers, duties, purposes, responsibilities, and jurisdiction in matters pertaining to water now or hereafter vested by law in the Department of Public Works, the Division of Water Resources in the Department of Public Works, the Water Project Authority, and the State Water Resources Board, or any officer or employee of any of such agencies. Except as provided in Sections 1021 and 6050, the department shall have possession and control of all records, books, papers, and other property, real, personal or mixed, now or hereafter held for the benefit or use of the Water Project Authority, the State Water Resources Board, or the Division of Water Resources in the Department of Public Works.

SEC. 7. Section 112 is added to said code, to read:

112. Except to the extent inconsistent with the provisions of this code, the provisions of Chapter 2, Part 1, Division 3, Title 2 of the Government Code shall govern and apply to the conduct of the Department of Water Resources in every respect the same as if such provisions were herein set forth at length, and whenever in that chapter the term "head of the department" or similar designation occurs, for the purposes of this section it shall mean the board acting by and through the director.

SEC. 8. The title to Article 2 of Chapter 2 of Division 1 of said code is amended to read:

Article 2. Surveys and Investigations

SEC. 9. Article 2 is added to Chapter 2, Division 1 of said code, to read:

Article 2. State Water Board

115. There is in the Department of Water Resources the State Water Board consisting of seven members who shall be appointed by the Governor subject to the confirmation of the Senate, as provided in this article.

116. Members shall be selected and approved for appointment on the basis of their general educational, professional, or business qualifications and experience and proven accomplishments in their fields. Appointments shall be made to provide in the membership of the board at all times members with experience in the fields of domestic and industrial water, agricultural water, and hydro-electric power development and distribution.

They shall be appointed in such a manner as to afford representation on the board from all parts of the State, one member to be appointed from the State at large and of the remaining six members, not more than one such member shall be appointed from any one county.

117. The terms of the members first appointed to the board shall expire as follows: two members on January 15, 1957, two members on January 15, 1958, and three members on January 15, 1959.

118. Appointments shall be for terms of four years. Vacancies shall be immediately filled by the Governor for the unexpired portion of the terms in which they occur.

119. The appointments made by the Governor to the office of director and to membership on the board shall be subject to confirmation by the Senate at the next regular or special session of the Legislature and the refusal or failure of the Senate to confirm an appointment shall create a vacancy in the office to which the appointment was made.

120. Each member of the board shall receive seventy-five dollars ($75) for each day during which he is engaged in the performance of his official duties for not to exceed 60 days each year. In addition to his compensation each member, including the chairman of the board, shall be reimbursed for his necessary traveling and other expenses incurred in the performance of his official duties without regard to any limitation as to number of days for which other compensation may be paid.

121. The board shall maintain its headquarters at Sacramento and shall hold meetings at such times and at such places as shall be determined by it.

122. Special meetings may be called at any time by the chairman or by the secretary at the request of any four members, upon notice specifying the matters to be acted upon at such meeting, but no other matters shall be acted upon at special meetings which were not so noticed, unless all members are present and consent thereto.

123. The board shall:

(a) Establish policies and prescribe rules and regulations to govern the department in the exercise of its powers and duties.

(b) Consider and determine any appeal filed under Section 125.

124. The board may:

(a) Employ such assistants as conditions require.

(b) Travel either within or without the State when necessary.

125. Any person affected who questions any action, ruling, order or decision of the department may, within 30 days after the date of the action, ruling, order or decision, appeal in writing to the board. A copy of the notice of appeal and all accompanying information may be sent to each person on record in support or in opposition to the action, ruling, order or decision by any means selected by the board. But no order adversely affecting the rights of any such person shall be made by the board unless he shall have been served personally or by registered mail as provided herein, or shall have appeared before the board in connection with the appeal. Service may be proved in the manner authorized in civil actions. Service by registered mail shall be effected if a registered letter containing the notice of appeal and accompanying material is mailed, addressed to such person at the latest address on file with the department. The board shall review all records on file with the department which pertain to the ruling, order, decision, or other official act, and a transcript, if any, of evidence taken and shall take such additional relevant and competent evidence as it may require or as may be submitted by the department or the party filing the appeal. The board shall then issue an order, according to the weight of evidence adduced before it, affirming, reversing, or modifying the action, ruling, order or decision of the department, which shall constitute the final action of the department.

SEC. 10. Articles 3 and 4 of Chapter 2 of Division 1 of said code are repealed.

SEC. 11. Article 3 is added to Chapter 2, Division 1 of said code, to read:

Article 3. Administration of Department of Water Resources

133. The Department of Water Resources is in the charge of the director who shall administer it in accordance with the policies, rules, and regulations established and adopted by the board.

134. The director shall be appointed by and shall hold office at the pleasure of the Governor. The appointment shall be subject to confirmation by the Senate at the next regular or special session of the Legislature and the refusal or failure of the Senate to confirm an appointment shall create a vacancy in the office.

135. The director shall receive an annual salary of eighteen thousand dollars ($18,000).

136. Before entering upon the duties of his office, the director shall execute an official bond to the State in the penal sum of twenty-five thousand dollars ($25,000) conditioned upon the faithful performance of his duties.

137. For the purpose of administration, the director shall organize the department with approval of the board in the manner that he deems necessary to segregate and conduct properly the work of the department. The department shall have at least the following divisions: a Division of Planning and a Division of Construction, Operation, and Maintenance.

138. With the approval of the Governor and the board, the director may create such other divisions and subdivisions as may be necessary and change or abolish them from time to time.

139. The director may require any of the personnel of the department who is entrusted with money belonging to the State to furnish a bond for the faithful performance of his trust, executed by an admitted corporate surety insurer, in the amount the director prescribes. The bond shall cover duties prescribed by administrative regulations or orders of the director as well as those imposed by law.

Any bond may be canceled at any time with the approval of the director. Schedule bonds may be taken covering two or more persons. Bonds provided for in this section shall be filed with the director, and not elsewhere.

140. The department, or a representative authorized by the department to do so, may call, conduct or attend conferences or hearings, official or unofficial, within or without this State, or otherwise participate in such conferences or hearings, with

interested persons, agencies or officers, of this or any other state, or with the Congress of the United States, congressional committees, or officials of the Federal Government, concerning water projects, plans, or problems within the scope of its powers and duties.

141. As to any matter involving the United States, its departments or agencies, which is within the scope of the powers and duties of the department, the department may represent the interests of the State or any county, city, state agency or public district and to that end may correspond, confer and cooperate with the United States, its departments or agencies.

142. The department may hold hearings and conduct investigations in any part of the State and for such purposes has the powers conferred upon heads of departments of the State by Article 2 of Chapter 2 of Part 1 of Division 3 of Title 2 of the Government Code.

SEC. 12. Article 4 is added to Chapter 2, Division 1 of said code, to read:

Article 4. Financial Provisions

158. If the nature of any work under jurisdiction of the department, in its opinion is such that its services in connection therewith are not required, it may, with the approval of the Department of Finance, authorize the carrying out of the work directly by the state agency concerned therewith.

159. The department may employ such assistants as may be necessary for the proper discharge of its duties, and may purchase any necessary supplies, instruments, tools, and conveniences.

160. The department shall furnish the board such technical and clerical assistance and such supplies, instruments, tools, and conveniences as the board may deem necessary to carry out its functions.

SEC. 13. Sections 200, 201, 202, and 203 of said code are repealed.

SEC. 14. The title of Article 5 of Chapter 2, Division 1 of said code is amended to read:

Article [5] 7. Beach Erosion Control

SEC. 15. A title to Article 5 is added to Chapter 2, Division 1 of said code, immediately preceding Section 205 thereof, to read:

Article 5. Participation in Associations

SEC. 16. Section 226 of said code is amended to read:

226. The department, either independently or in cooperation with any person or any county, state, federal, or other agency, may do any of the following:

(a) Conduct investigations of all or any portion of any stream, stream system, lake or other body of water.

(b) Investigate either or both surface and underground water conditions.

(c) Collect records of diversion and use of water.

[(d) Supervise distribution of water in accordance with agreements and court orders therefor.]

(b) Investigate either or both surface and underground water conditions.

(c) Collect records of diversion and use of water.

SEC. 16.5. Sections 228, 229, 230, and 231 of said code are repealed.

SEC. 17. A title to Article 1 is added to Chapter 3 of Division 1 of said code, immediately preceding Section 350 thereof, to read:

Article 1. Water Shortages

SEC. 18. Article 2 is added to Chapter 3 of Division 1 of said code, to read:

Article 2. Emergencies

370. In times of extraordinary stress and of disaster, resulting from storms and floods, the director may declare the existence of an emergency and designate the location, nature, cause, area, and extent of the emergency if in his opinion:

(a) The emergency is a matter affecting the waters or dams of the State and is of general public and state concern; and

(b) Work and remedial measures are required to immediately avert, alleviate, repair, or restore damage or destruction to property having a general public and state interest and to protect the health, safety, convenience, and welfare of the general public of the State.

The department may perform any work required or take any remedial measures necessary to avert, alleviate, repair, or restore damage or destruction to property as provided in this section.

The director shall transmit any declaration made under this section to the Department of Finance with a recommendation and request that money be allocated from any available money appropriated for that purpose or to meet state emergencies within the meaning of that term as employed in this section, in order to carry out the work and remedial measures required to meet the emergency.

The Director of Finance shall forthwith determine if a state emergency exists, and if money is available in any appropriation or emergency fund for the work and remedial measures. Upon an affirmative finding upon these matters he shall allocate to the department such amount as in his opinion will be required to meet the emergency.

SEC. 19. Chapter 4 of Division 1 is repealed.

SEC. 20. Section 1000 of said code is amended to read:

1000. As used in this division, "water" includes the term "use of water," "administration," "department," and "Division of Water Resources of the Department of Public Works," the "State Engineer," and the "department acting through the State Engineer" mean the Water Rights Administration and "administrator" means the State Water Administrator.

SEC. 21. Sec. 1009 of said code is repealed.

SEC. 22. Article 1 is added to Chapter 2, Part 1, Division 2 of said code, to read:

Article 1. Water Rights Administration

1020. There is in the State Government the Water Rights Administration.

1021. The Water Rights Administration shall succeed to and is hereby vested with all of the powers, duties, purposes, responsibilities, and jurisdiction in matters pertaining to the administration and determination of water rights, and in all other matters pertaining to the provisions of this division now or hereafter vested by law in the Department of Public Works, the Division of Water Resources in the Department of Public Works, the State Engineer, or any officer or employee thereof. The administration shall have possession and control of all records, books, papers, and other property now or hereafter held for the benefit or use of the Division of Water Resources in the Department of Public Works and of the State Engineer relative to the subject matter of this division.

1022. The Water Rights Administration is under the control of an officer known as the State Water Administrator.

1023. The administrator shall be appointed by the State Water Board under the provisions of the State Civil Service Act. The Legislature hereby requests that the board not designate said administrator from persons exempt from civil service under Section 4 of Article XXIV of the Constitution.

1024. Before entering upon the duties of his office, the administrator shall execute an official bond to the State in the penal sum of twenty-five thousand dollars ($25,000) conditioned upon the faithful performance of his duties.

1025. The administrator shall perform all duties, exercise all powers and jurisdiction, assume and discharge all responsibilities, and carry out and effect all purposes vested by law in the administration.

1026. The administrator shall organize the administration in the manner that he deems necessary to segregate and conduct properly the work of the administration.

1027. The administrator may require any of the personnel of the administration who is entrusted with money belonging to the State to furnish a bond for the faithful performance of his trust, executed by an admitted corporate surety insurer, in the amount the administrator prescribes. The bond shall cover duties prescribed by administrative regulations or orders of the administrator as well as those imposed by law.

Any bond may be canceled at any time with the approval of the administrator. Schedule bonds may be taken covering two or more persons. Bonds provided for in this section shall be filed with the administrator, and not elsewhere.

1028. The administration shall contract with the department for the department to provide for the bookkeeping and general housekeeping services. It is the intention of the Legislature that the State Water Administrator be independently responsible for the exercise of the powers, duties, purposes, responsibilities, and jurisdiction vested in the Water Rights Administration and that the contract provided for in this section shall in no way impair or interfere with the free exercise of that responsibility.

1029. The administration may employ such assistance as may be necessary for the proper discharge of its duties, and may purchase any necessary supplies, instruments, tools, and conveniences.

1030. Except to the extent inconsistent with the provisions of this code, the provisions of Chapter 2, Part 1, Division 3, Title 2 of the Government Code shall govern and apply to the conduct of the Water Rights Administration in every respect the same as if such provisions were herein set forth at length, and whenever in that chapter the term "head of the department" or similar designation occurs, for the purposes of this section it shall mean the administrator.

SEC. 23. A title to Article 2 is added to Chapter 2, Part 1, Division 2 of said code, immediately preceding Section 1050 thereof, to read:

Article 2. General Administration

SEC. 24. Sections 1050.5 and 1050.6 of said code are repealed.

SEC. 25. Section 1057 of said code is amended to read:

1057. All fees charged and collected under this [chapter] *article* shall be paid, at least once each week, accompanied by a detailed statement thereof, into the State Treasury.

SEC. 25.1. Section 1061 is added to said code, to read:

1061. The administration shall make available to the Department of Water Resources and to the other departments of the State and local agencies, all data, information, records, and reports obtained through investigations and surveys

conducted by it. Such data, information, records, and reports shall be made available to interested persons, where, in the judgment of the department, it does not conflict with the interests of the State.

SEC. 25.2. Section 1062 is added to said code, to read:

1062. The administration, either independently or in cooperation with any person or any county, state, federal, or other agency, may do any of the following, by contract or otherwise:

(a) Conduct investigations of all or any portion of any stream, stream system, lake or other body of water.

(b) Investigate either or both surface and underground water conditions.

(c) Collect records of diversion and use of water.

(d) Carry on such investigations and collect such data and information as may be necessary, in the opinion of the administrator, for the proper performance of the administration.

SEC. 25.3. Section 1063 is added to said code, to read:

1063. The administration shall gather and correlate information and data pertinent to an annual forecast of seasonal water crop, including the making of snow surveys, either independently or in cooperation with any person or any county, state, federal, or other agency.

SEC. 25.4. Section 1064 is added to said code, to read:

1064. The administration, either independently or in cooperation with any person or any county, state, federal, or other agency, to the extent that funds are allocated therefor, shall investigate conditions of the quality of all waters within the State, including saline waters, coastal and inland, as related to all sources of pollution of whatever nature and shall report thereon to the Legislature and to the appropriate regional water pollution control board annually, and may recommend any steps which might be taken to improve or protect the quality of such waters.

SEC. 25.5. Section 1065 is added to said code, to read:

1065. The administration, either independently or in cooperation with any person or any county, state, federal, or other agency, to the extent funds are allocated therefor, shall conduct surveys and investigations relating to the reclamation of water from sewage or industrial wastes for beneficial purposes, including but not limited to the determination of quantities of such water presently wasted, and possibilities of use of such water for recharge of underground storage or for agricultural or industrial uses; and shall report to the Legislature and to the appropriate regional water pollution control board thereon, annually.

SEC. 25.6. Section 1066 is added to said code, to read:

1066. The administration, either independently or in cooperation with any person or any county, state, federal or other agency, shall investigate and survey conditions of damage to quality of underground waters, which conditions are or may be caused by improperly constructed, abandoned or defective wells through the interconnection of strata or the introduction of surface waters into underground waters. The administration shall report to the appropriate regional water pollution control board its recommendations for minimum standards of well construction in any particular locality in which it deems regulation necessary to protection of quality of underground water, and shall report to the Legislature from time to time, its recommendations for proper sealing of abandoned wells.

SEC. 25.7. Article 3 of Chapter 5, Part 2, Division 2, of the Water Code is repealed.

SEC. 25.8. Article 3 is added to Chapter 5, Part 2, Division 2, of the Water Code, to read:

Article 3. Appeals

1357. There is in the administration a Water Rights Appeals Board consisting of three members who shall be appointed by the Governor. The appointments so made by the Governor shall be subject to confirmation by the Senate at the next regular or special session of the Legislature, and the refusal or failure of the Senate to confirm an appointment shall create a vacancy in the office to which the appointment was made.

1358. Appointments shall be for terms of four years, and vacancies shall be immediately filled by the Governor for the unexpired portion of the terms in which they occur. The terms of the members first appointed to the board shall expire as follows: one member on January 15, 1957, one member on January 15, 1958, and one member on January 15, 1959.

1359. When necessary, the members may travel within or without the State. Each member of the board shall receive the necessary traveling and other expenses incurred by him in the performance of his duties and twenty dollars ($20) for each day attending the meetings of the board.

1360. The board may hold any hearings and conduct any investigations in any part of the State necessary to carry out the powers vested in it, and for such purposes has the powers conferred upon heads of departments of the State by Article 2 of Chapter 2 of Part 1 of Division 3 of Title 2 of the Government Code.

1361. Any person affected by any application who questions the validity of any ruling, order or decision of the administration in connection with such application may, within 30 days after the date of the ruling, appeal in writing to the Water Rights Appeals Board. A copy of the notice of appeal and all accompanying information may be sent to each person on record in support or in opposition to the application by any means selected by the board. But no order adversely affecting the rights of any such person shall be made by the board unless he shall have been served personally or by registered mail as provided herein, or shall have appeared before the board in connection with the appeal. Service may be proved in the manner authorized in civil actions. Service by registered mail shall be effected if a registered letter containing the notice of appeal and accompanying material is mailed, addressed to such person at the latest address on file with the administration. The board shall review all records on file with the administration which pertain to the ruling, order, decision, or other official act, and a transcript, if any, of evidence taken and shall take such additional relevant and competent evidence as it may require or as may be submitted by the administration or the party filing the appeal. The board shall then issue an order, according to the weight of evidence adduced before it, affirming, reversing, or modifying the action of the administration, which shall constitute the final action of the administration.

1362. The Water Rights Appeals Board shall adopt rules for the conduct of its affairs in conformity, as nearly as practicable, with the provisions of Article 2, Chapter 2, Part 1, Division 3, Title 2 of the Government Code.

1363. The Water Rights Appeals Board shall have such powers, and may employ such personnel, and assistance, as is necessary or convenient for the exercise of its duties under this article.

1364. Any person affected by any application who questions the validity of any order of the administration or Water Rights Appeals Board, may petition the superior court in and for the county in which the applicant seeks to divert water under the application, for a writ of mandate under the provisions of Chapter 2, Title 1, Part 3 of the Code of Civil Procedure.

SEC. 26. Section 2002 is added to said code, to read:

2002. As used in this part, "department" means the Water Rights Administration.

SEC. 27. Section 4003 is added to said code, to read:

4003. As used in this part, "department" and "Department of Public Works" means the Water Rights Administration.

SEC. 27.5. Section 4024 is added to Chapter 2 of Part 4 of Division 2 of said code, to read:

4024. The adminsitration may supervise the distribution of water in accordance with agreements and court orders therefor.

SEC. 28. Part 5 is added to Division 2 of said code, to read:

PART 5. OTHER POWERS

CHAPTER 1. WASTE

Article 1. Proceedings to Prevent Waste or Unreasonable Use

4675. The administration shall take all appropriate proceedings or actions before executive, legislative, or judicial agencies to prevent waste, unreasonable use, unreasonable method of use, or unreasonable method of diversion of water in this State.

Article 2. Waste From Artesian Wells

4700. For the purposes of this article, an artesian well is any artificial hole made in the ground through which water naturally flows from subterranean sources to the surface of the ground for any length of time.

4701. For the purposes of this article, waste is the causing, suffering, or permitting any water flowing from an artesian well, to run either:

(a) Into any natural watercourse or channel, or into any bay or pond, unless the water is used thereafter for irrigation or domestic use.

(b) Into any street, road, or highway.

(c) Upon the land of any person or upon the public land of the United States or of the State, unless it is used thereon for irrigation, domestic use, or the propagation of fish.

4702. The use of any water flowing from an artesian well for the irrigation of land, whenever over 5 percent of the water received on the land for irrigation purposes is permitted to escape from the land, is waste within the meaning of this article.

4703. Nothing in this article prevents the running of artesian water into an artificial pond or storage-reservoir, if the water is used thereafter for a beneficial use.

4704. A beneficial use under the next preceding section shall not exceed one-tenth of one miner's inch of water per acre, perpetual flow, but the person using the water may cumulate that amount within any period of each year.

4705. Any artesian well which is not capped or equipped with a mechanical appliance which will readily and effectively arrest and prevent the flow of any water from the well is a public nuisance.

4706. The owner, tenant, or occupant of the land upon which a well which is a public nuisance under the next preceding section is situated, who causes, permits, or suffers such public nuisance to exist or continue is guilty of a misdemeanor.

4707. Any person owning, possessing, or occupying any land upon which is situated an artesian well, who causes, suffers, or permits water unnecessarily to flow from the well or to go to waste is guilty of a misdemeanor.

4708. Each day's continuance of waste constitutes a new offense.

4709. Any person who violates any of the provisions of this article is punishable for each offense by a fine of not less than twenty-five dollars ($25) and not more than five hundred dollars ($500) or by imprisonment in the county jail for not more than six months, or by both.

4710. All prosecutions for the violation of any of the provisions of this article shall be instituted in the justice court or municipal court of the county in which the well is situated.

4711. Any fine imposed under the provisions of this article may be collected as in other criminal cases, and the justice or judge, as the case may be, may also issue an execution upon the judgment thereon rendered, which may be enforced and collected as in civil cases.

CHAPTER 2. REGULATION OF RAIN-MAKING AND RAIN-PREVENTION

4900. The public interest, health, safety, welfare, and necessity require that scientific experimentation in the field of artificial nucleation, and that scientific efforts to develop, increase, and regulate natural precipitation be encouraged, and that means be provided for the regulation and control of interference by artificial means with natural precipitation of rain, snow, moisture, or water in any form contained in the atmosphere, within the State, in order to develop, conserve, and protect the natural water resources of the State and to safeguard life and property.

4901. As used in this chapter:

"Person" means any person, firm, association, organization, partnership, company, corporation, private or public, county, city, city and county, district, or other public agency.

4902. No person, without first securing a license from the administration, shall cause or attempt to cause condensation or precipitation of rain, snow, moisture, or water in any form contained in the atmosphere, or shall prevent or attempt to prevent by artificial means the natural condensation or precipitation of rain, snow, moisture, or water in any form contained in the atmosphere.

4903. Any person desiring to do any of the acts specified in Section 4902 may file with the administration an application in writing for a license. Each application shall be accompanied by a filing fee fixed by the administration with the approval of the Department of Finance but not to exceed fifty dollars ($50) and shall be on a form to be supplied for such purpose by the administration.

4904. Every application shall set forth all of the following:

(a) The name and post-office address of the applicant.

(b) The previous education, experience, and qualifications of the applicant, or, if the applicant is other than an individual, the previous education, experience, and qualifications of the persons who will be in control of and charged with the operations of the applicant.

(c) A general description of the operations which the applicant intends to conduct and the method and type of equipment that the applicant proposes to use.

(d) Such other pertinent information as the administration may require.

4905. Upon the filing of the application upon a form supplied by the administration and containing the information prescribed by this chapter and accompanied by the required filing fee the administration shall issue a license to the applicant entitling the applicant to conduct the operations described in the application for the calendar year for which the license is issued, unless the license is sooner revoked or suspended.

4906. A license may be renewed annually upon application to the administration, accompanied by a renewal fee fixed by the administration with the approval of the Department of Finance but not to exceed twenty-five dollars ($25), on or before the last day of January of the calendar year for which the license is renewed.

4907. Prior to undertaking any operation authorized by the license the licensee shall file with the administration and cause to be published a notice of intention. The licensee shall then confine his activities for that operation substantially within the time and area limits set forth in the notice of intention.

4908. The notice of intention shall set forth all of the following:

(a) The name and address of the licensee.

(b) The nature and object of the intended operation and the person or persons on whose behalf it is to be conducted.

(c) The area in which and the approximate time during which the operation will be conducted.

(d) The area which will be affected by the operation as near as the same may be determined in advance.

4909. The applicant shall cause the notice of intention to be published at least once a week for three consecutive weeks in a newspaper having a general circulation and published within any county wherein the operation is to be conducted and in which the affected area is located, or, if the operation is to be conducted in more than one county or if the affected area is located in more than one county or is located in a county other than the one in which the a operation is to be conducted, then such notice shall be caused to be published in like manner in a newspaper having a general circulation and published within each of such counties. In case there is no newspaper published within the appropriate county publication shall be made in a newspaper having a general circulation within the county.

4910. Proof of publication shall be filed by the licensee with the administration within 15 days from the date of the last publication of the notice. Proof of publication shall be by copy of the notice as published attached to and made a part of the affidavit of the publisher or foreman of the newspaper publishing the notice.

4911. Every licensee shall keep and maintain a record of all operations conducted by him pursuant to his license showing the method employed, the type of equipment used, the times and places of operation of the equipment, the name and post-office address of each person participating or assisting in the operation other than the licensee, and such other information as may be required by the administration, and shall report the same to the administration immediately upon the completion of each operation.

4912. Each licensee shall further prepare and maintain an evaluation statement for each operation which shall include a report as to estimated precipitation, defining the gain or loss occurring from nucleation activities, together with supporting data therefor. This statement, together with such other pertinent information as the administration may require, shall be sent to the administration upon request by the administration.

4913. Notwithstanding any provision of this chapter to the contrary, the administration may grant a licensee permission to undertake an emergency nucleation project, without compliance by the licensee with the provisions of Sections 4907 to 4910, inclusive, if the same appears to the administration to be necessary or desirable in aid of extinguishment of fires.

4914. Any license may be revoked or suspended if the administration finds, after due notice to the licensee and a hearing thereon, that the licensee has failed or refused to comply with any of the provisions of this chapter. The proceedings herein referred to shall be conducted in accordance with the provisions of the Administrative Procedure Act, Chapter 5, Part 1, Division 3, Title 2 of the Government Code, and the administration shall have all the powers granted therein.

4915. Any person who violates any provision of this chapter is guilty of a misdemeanor.

SEC. 29. Section 6001 of said code is amended to read:

6001. "Department," "*Department of Public Works acting through the agency of the State Engineer*," "*State Engineer*," and "*administration*" means the [Department of Public Works acting through the agency of the State Engineer] *Water Rights Administration, and "administrator" means the State Water Administrator.*

SEC. 30. Chapter 3 of Part 1 of Division 3 of said code is repealed.

SEC. 31. Chapter 3 is added to Part 1 of Division 3 of said code, to read:

CHAPTER 3. ADMINISTRATIVE PROVISIONS

6050. The Water Rights Administration shall succeed to and is hereby vested with all of the powers, duties, purposes, responsibilities, and jurisdiction in matters pertaining to the regulation, supervision, and administration of dams and reservoirs, and in all other matters pertaining to the provisions of this division now or hereafter vested by law in the Department of Public Works, the Division of Water Resources in the Division of Public Works, State Engineer, or any officer or employee thereof. The administration shall have possession and control of all records, books, papers, and other property now or hereafter held for the benefit or use of the Division of Water Resources in the Department of Public Works and of the State Engineer, relative to the subject matter of this division.

6056. When the safety and technical conditions pertaining to a dam and specifications require it, or when requested in writing to do so by the owner, the administration shall appoint a consulting board of two or more consultants to report to the administration on the safety features involved.

6057. The cost and expense of the consulting board if appointed on the request of the owner, shall be paid by the owner.

6058. The administration may employ consultants.

SEC. 32. Section 10000 of said code is amended to read:

10000. The coordinated plan for the conservation, development, and utilization of the water resources of the State (except the project known as the "Trinity River Diversion," which is not approved) is set forth in the report thereon formulated and prepared by the Department *of Public Works* and transmitted to the Forty-ninth Session of the Legislature pursuant to Chapter 832 of the Statutes of 1929 shall be known as the "State Water Plan."

SEC. 33. Section 11101 of said code is amended to read:

11101. "Authority," [means the] "Water Project Authority [of the State of California.]," *"authority acting by or through the department," "authority, its officers, agents, or* employees," or "State Engineer" means the department, and *"the chairman of the authority" means the chairman of the board.*

SEC. 34. Section 11127 of said code is amended to read:

11127. The [authority and the] department shall be regarded as performing a governmental function in carrying out the provisions of this part, *and it is the intention of the Legislature that to the extent feasible local agencies of the State so desiring shall construct, operate, or maintain the several portions of any general coordinated plan for the development of the water resources of the State.*

SEC. 35. Article 1 of Chapter 3 of Part 3 of Division 6 of said code is repealed.

CONSIDERATION OF SENATE RESOLUTION NO. 112, AS AMENDED

Senate Resolution No. 112, as Amended

WHEREAS, It has been declared by the Legislature of 1951 to be the policy of the State of California to develop mass rapid transit in the metropolitan areas of the State of California for the benefit of the people; and

WHEREAS, The Committee on Transportation of the Senate of this Legislature has considered Senate Bill No. 1308 by Senator Richards of Los Angeles County enlarging the scope of jurisdiction and the scope of enabling powers of the Los Angeles Metropolitan Transit Authority, created by the Legislature of 1951 and has determined to refer said bill to a joint interim committee for further study and report; and

WHEREAS, The Board of Supervisors of Los Angeles County, the Mayor of the City of Los Angeles and the city council and civic agencies have requested that a joint interim committee of Legislature hold public hearings in Los Angeles in the near future on Senate Bill No. 1308 to permit public discussion and understanding of the enabling powers and proposed plans of Los Angeles Metropolitan Transit Authority to develop integrated mass transit throughout Los Angeles metropolitan area, and which is now unable to create integrated systems of mass rapid transit under the present powers granted by the Legislature of 1951; now, therefore, be it

Resolved by the Senate of the State of California, As follows:

1. The chairman of the Joint Interim Committee on Transportation shall hold a hearing at an early date in Los Angeles and do all things necessary to develop a report on the transit problems of the Los Angeles metropolitan area, with special reference to urban and interurban transit in Los Angeles County and interurban transit in San Bernardino, Riverside and Orange Counties, including the powers to subpena witnesses.

2. The Los Angeles Metropolitan Transit Authority, a corporation of the State of California, created by the Legislature of 1951 be hereby requested to continue its study of transit in the metropolitan area of Los Angeles as herein described and to cooperate with joint interim committee herewith appointed in their studies of transit problems, the proposed enabling powers and proposed sequent activation of said powers pursuant to Senate Bill No. 1308.

3. The Board of Supervisors in Los Angeles County is herewith respectfully requested to continue their financial support of the Los Angeles Metropolitan Transit Authority begun in 1952 and to continue such support until the committee herewith created shall have held its public hearings and made its report to the next appropriate session of the Legislature of the State of California.

Resolution read, as amended, and unanimously adopted.

Amendment No. 6

On page 1, strike out line 1, and insert

"SECTION 1. Section 555 is added to the Streets and Highways Code, to read:

555. The California Highway Commission is authorized, if it finds the same to be for the best interest of the State, to construct a state highway from Route 1

near Garberville to a connection with existing Route 1 near Pepperwood, located so as to avoid the necessity of destroying any substantial number of redwood trees in state parks between said termini, and upon completion of construction, to designate such new highway as a portion of Route 1 in lieu of the existing Route 1 between said termini."

SEC. 2. Section 1 of Chapter 1639 of the Statutes of 1953 is amended to read:

Section 1. [There is hereby appropriated to] the Division of Beaches and Parks, Department of Natural Resources, [from the State Beach Fund the sum of seven hundred fifty thousand dollars ($750,000), or so much thereof as may be necessary to be expended subject to the conditions provided in this act for the acquisition] *may acquire* for state park purposes [of] land in Orange County known as Bolsa Chica Beach proposed state park site, consisting of 15,460 lineal feet, more or less, of beach frontage and such *upland* acreage as *may be necessary.* [can be purchased at a reasonable price, to be determined by appraisal and negotiation or by condemnation proceedings, said land situate, lying and being between the extension of Los Patos Avenue, at the southerly terminus of Sunset Beach and the northerly city limits of Huntington Beach and between the ordinary high tide of the Pacific Ocean and State Highway No. 101, Alternate, excepting therefrom an easement for railroad purposes as said railroad now exists. This appropriation shall be expended in the acquisition of aforesaid property and shall not be matched by like amounts or any amounts, in money, property or lands received from private or any other sources.]

SEC. 3. Section 5038 is added to the Public Resources Code, to read:".

"SEC. 4. Section 5038.1 is added to said code, to read:

5038.1. The State Park Commission may accept as a gift and develop for park purposes certain lands comprising 14,500 acres, more or less, in Santa Clara County known as Coe Ranch and is further authorized to negotiate for and acquire such lands as are necessary to establish a park in the vicinity of and any portion of Anderson Reservoir in Santa Clara County to constitute a portion of the State Park System and to be known as the Henry Coe Memorial Park. Both areas may be operated as an integrated unit.

SEC. 5. Section 5038.2 is added to said code, to read:".

5038.2. In order to provide for the welfare and to promote the best interests of the people of the State, the Division of Beaches and Parks, Department of Natural Resources, may acquire by purchase, condemnation, or otherwise, for state park purposes, all lands in San Mateo County known as the Butano Forest, or any part thereof and all additions thereto, which lands consist of 3,120 acres, more or less, and are situate in Sections 16, 17, 20, 21, 22, 28, 30, 31 and 32, Township 8 South, Range 4 West, Mount Diablo Base and Meridian. The State Park Commission is authorized to determine the exact boundaries of the lands to be acquired.

The Legislature finds and delares that the use of said land for park purposes is more necessary than any other use to which it may be devoted.

SEC. 6. Section 5038.3 is added to said code, to read:

5038.3. The State Park Commission may designate the Ferry Building in the City and County of San Francisco and adjoining areas as a historical monument; provided, however, that there shall be no loss of revenue to the Board of State Harbor Commissioners for San Francisco Harbor by reason of such designation.

5038.12. The Division of Beaches and Parks, Department of Natural Resources, is authorized to acquire the real property comprising Benbow Lake, together with such adjacent land as may be necessary, located in the County of Humboldt.

The land and real property authorized to be acquired under this section shall be the Benbow Lake State Park and shall constitute a portion of the State Park System.

SEC. 16. Section 5038.13 is added to said code, to read:

5038.13. The Division of Beaches and Parks, Department of Natural Resources, may acquire for state park purposes any portion thereof or all lands in Siskiyou County for the establishment of a state park in the area of the upper reaches of the Sacramento River commonly called Box Canyon. These lands are more particularly described as follows:

Sections 24, 25, 26 and 35, Township 40 North, Range 5 West, M. D. B. M.; Sections 19, 20, 28, 29, 30, 31, 32, 33, 34, Township 40 North, Range 4 West, B. D. B. M.; Section 4, Township 39 North, Range 4 West, M. D. B. M. in Siskiyou County.

SEC. 17. Section 5038.14 is added to said code, to read:

5038.14. The Division of Beaches and Parks, Department of Natural Resources, may develop a park situated at Monticello Dam on Putah Creek.

SEC. 18. Section 5038.15 is added to said code, to read:

5038.15. The Division of Beaches and Parks, Department of Natural Resources, may acquire land, improvements, and structures for the improvement of that part of the City of Los Angeles, in Los Angeles County, known as Olvera Street, the Los Angeles Plaza, and the Pico-Garnier Block all known as El Pueblo de Los Angeles State Historical Monument.

SEC. 19. Section 5038.16 is added to said code, to read:

5038.16. In accordance with the provisions of Article 6 of this chapter, the Division of Beaches and Parks, under the direction of the Director of Natural Resources, may provide for the development of the California Riding and Hiking Trails Project.

SEC. 20. Section 5038.17 is added to said code, to read:

5038.17. The Legislature hereby finds and declares that the State of California has a heritage of ships and of the sea, extending without interruption from times prior to the Gold Rush to the present day. The maritime conditions existing on the Pacific Coast caused shipbuilders of this coast to produce unique and superior types

of schooners and steam schooners, and of the over 300 three- and four-masted schooners and 224 steam schooners built on this coast, only a handful of these vessels now remain in existence. Because of their great historical importance to California history, immediate steps must be taken to prevent the imminent destruction of an example of each of these types, namely one steam schooner and one schooner, to be permanently preserved and displayed.

The State Park Commission, with the consent of the Director of Finance, may provide for the acquisition, transportation, berthing, rehabilitation, interpretation, and expenses incidental thereto, of such historic schooners, steam schooners, and appurtenances, and objects relating to maritime history as the State Park Commission may in its discretion determine desirable, all to become a part of the State Park System, such vessels and objects after acquisition and rehabilitation to be displayed on the waterfront of the City and County of San Francisco subject to there being suitable mooring facilities approved by the State Park System prior to acquisition. The State Park Commission, with the consent of the Director of Finance, may insure any property so acquired against any and all risks.

SEC. 21. Section 5038.18 is added to said code, to read:

5038.18. The Devision of Beaches and Parks, Department of Natural Resources, may acquire for state park purposes of any portion thereof or all land in San Joaquin County known as Lodi Lake Project or Lodi Lake Park and additions thereto proposed for state park purposes consisting of 500 acres, more or less, to be acquired by negotiations or by condemnation proceedings.

SEC. 22. Section 5038.19 is added to said code, to read:

5038.19. The commission may provide for the establishment, construction, and equipment of a museum in, or in the vicinity of, Death Valley to be known as the Death Valley Museum. In order to effectuate such purposes the commission may do any or all of the following:

(a) Accept on behalf of the State gifts of land from any person or public agency of this State.

(b) Accept from the United States any interest in or license to use, including a special use permit for, any land as a site for such museum.

(c) Agree with the National Park Service, United States Department of Interior, that the commission shall make available to said service the amount of money necessary to construct said museum on land under the control of said service, in accordance with plans and specifications mutually satisfactory to said service and the commission, and to equip such museum, and that said service shall maintain and operate said museum.

(d) Agree with said National Park Service that the commission shall cause said museum to be constructed on lands under the control of said service in accordance with plans and specifications mutually satisfactory to said service and the commission, and to equip said museum, and that said museum shall be maintained and operated by said service.

(e) Accept from the United States any land suitable for state park purposes, and on acceptance of such land, the total value of which is equal to the value of said museum, the commission is authorized to transfer title of said museum to the United States.

The commission may, in its discretion, exercise any combination of the powers specified in this section which it deems most suitable and available for the accomplishment of the establishment of the Death Valley Museum.

The commission may make and perform contracts with the United States, or any officer, department, board, commission, service, or agency thereof for the operation and maintenance of the Death Valley Museum in connection with the Death Valley National Monument or otherwise.

SEC. 23. Section 5038.20 is added to said code, to read:

5038.20. The Division of Beaches and Parks, Department of Natural Resources may acquire lands in the County of Mendocino, as follows:

Any portion of those properties within the east one-half of the northeast one-quarter of Section 11; the southeast one-quarter of the southeast one-quarter of Section 12; the southwest one-quarter of Section 13 and the northwest one-quarter of Section 14, together with all necessary rights of way to the state and county highways, all of Township 14 North, Range 15 West, Mount Diablo Base and Meridian.

The lands acquired pursuant to this section shall be the Hendy Woods State Park, a portion of the State Park System.

SEC. 24. Section 5038.21 is added to said code, to read:

5038.21. The Division of Beaches and Parks, Department of Natural Resources may acquire real property comprising the Town of Bodie, together with such adjacent land as may be necessary, located in the County of Mono.

The land and real property authorized to be acquired by this section shall be the Bodie State Park and shall constitute a portion of the State Park System.

SEC. 25. Section 5038.22 is added to said code, to read:

5038.22. The State Park Commission is authorized to provide a suitable museum building at the Coloma Gold Discovery Site State Park in Coloma, El Dorado County, California, to preserve and store historical articles of the gold discovery days of 1848 and 1849 on the Mother Lode. This museum shall be known as the James W. Marshall Gold Discovery Museum. The State Park Commission may authorize the Division of Beaches and Parks to construct and maintain this museum and to secure and transport to it appropriate historical articles.

SEC. 26. Section 5038.23 is added to said code, to read:

5038.23. The State Park Commission may provide for the preservation and development as a portion of the State Park System of the James W. Marshall Gold Discovery Site and of the Town of Coloma, together with the areas adjacent thereto and the historic buildings therein. The State Park Commission, acting by and through the Division of Beaches and Parks, Department of Natural Resources, may acquire such properties and provide for such construction and improvements as are necessary to carry out the purposes of this act.

The properties acquired, constructed, improved, maintained and operated in pursuance of this act shall constitute a portion of the State Park System.

SEC. 27. Section 5038.24 is added to said code, to read:

5038.24. The Division of Beaches and Parks, Department of Natural Resources, may construct and provide exhibits for, an exhibits building at Donner Memorial State Park.

The exhibit building shall be operated and maintained by the Division of Beaches and Parks, as a part of the State Park System.

SEC. 28. Section 5038.25 is added to said code, to read:

5038.25. The State Park Commission may acquire and develop the historical property in the City of Sonoma, known as the Casa Grande Adobe which fronts on the historic Sonoma Plaza.

SEC. 28.1. Section 5038.26 is added to said code, to read:

5038.26. The Division of Beaches and Parks, Department of Natural Resources, may provide for the preservation and repair of the Los Encinos State Historical Monument.

SEC. 28.2. Section 5038.27 is added to said code, to read:

5038.27. The Division of Beaches and Parks, Department of Natural Resources, under the direction and control of the State Park Commission, may acquire, develop, maintain, and protect, for public recreational purposes, beaches in San Diego County."

Consideration of Assembly Amendments

Senate Bill No. 230—An act to add Article 10.6, comprising Sections 70010 to 70017, inclusive, to Chapter 5, Title 8 of the Government Code, relating to superior courts.

The question being: Shall the Senate concur in the following Assembly amendments to Senate Bill No. 230?

Amendment No. 1

In line 1 of the title of the printed bill, as amended in Senate May 6, 1955, strike out "Article 10.5", and insert "Articles 10.5, comprising Sections 70000 to 70007, inclusive, and 10.6, comprising Sections 70010 to 70017, inclusive,".

Amendment No. 2

On page 3, after line 7, insert

"SEC. 2. Article 10.6 is added to Chapter 5, Title 8 of said code to read:

Article 10.6. Official Reporters in Counties With a Population of 210,000 to 220,000

70010. In each county having a population of 210,000 inhabitants and less than 220,000 inhabitants, as determined by the 1950 federal census, the judges of the superior court of such county, a majority concurring, to assist the court in the transaction of the judicial business of such court, by having performed the duties of phonographic reporters as elsewhere in this code defined, may appoint as many regular official phonographic reporters as may be necessary to report the proceedings in such court and to perform such duties, except that the number of reporters so appointed shall equal the number of offices of judge provided by law for such court. Such reporters shall hold office during the pleasure of the judges of such court, a majority concurring.

70011. When needed in order that the judicial business of the superior court in such county may be diligently carried on and a particular matter or matters may proceed to trial or hearing without delay, a pro tempore official reporter may be appointed to perform the duties of a phonographic reporter in such matter or matters, or until a regular official reporter becomes available for such service.

70012. The annual salary of the regular official phonographic reporters is seven thousand two hundred dollars ($7,200). The compensation of official phonographic reporters pro tempore shall be at the rate of twenty-five dollars ($25) a day.

70013. No further fee than that hereinabove provided shall be collected from, or assessed against, any party to any proceeding for the services of a phonographic reporter in taking down in shorthand the testimony and other proceedings in the trial or hearing of any matter as required by law or by order of the court; but a phonographic reporter shall be allowed, and shall receive, unless waived by him, the fees allowed by law for transcribing his shorthand notes of the testimony and proceedings reported by him, and such fees for transcription shall be paid as provided by Sections 69947 to 69953, inclusive, and by any other law of this State pertinent to the case.

70014. The salaries provided for in this article shall be paid in monthly installments out of the salary fund of the county, and shall be allowed and audited in the same manner as for salary demands against the county are required by law to be allowed and audited.

70015. In addition to a fee or fees required by any other law or laws, a fee of six dollars ($6) shall be paid to the county clerk of such a county by each party, or jointly by parties appearing jointly in each of the following instances:

(a) Where Section 26821 of the Government Code requires such party or parties to pay the county clerk a fee for the filing of the first paper in a civil action or in a special proceeding, except in an appeal from an inferior court.

(b) Where Sections 26822 to 26825, inclusive, of the Government Code require such party or parties to pay the county clerk a fee for filing papers transmitted from another court on the transfer of a civil action or special proceeding from another court, except in an appeal from an inferior court.

(c) Where Section 26826 of the Government Code requires such party or parties to pay the county clerk a fee for the appearance in a civil action or special proceeding of a defendant, intervenor, respondent, corespondent or adverse party, except in an appeal from an inferior court; provided, however, if any of the parties named in this paragraph shall appear jointly they shall pay but such additional fee of six dollars ($6) as in this section provided.

(d) Where Section 26827 of the Government Code requires such party or parties to pay the county clerk a fee for the filing of a petition or other paper in a probate or guardianship matter.

70016. The fee so required shall be taxed as costs in favor of any party paying the same and to whom costs are awarded by the judgment of the court. Such fee shall not be subject to the provisions of Section 6103 of the Government Code.

70017. The county clerk shall, on or before the first day of each calendar month, transmit to the county treasurer all money paid to him pursuant to this article during the preceding calendar month, or up to the day immediately preceding the day on which he transmits such money, and such money shall be deposited in the salary fund of such county."

Amendment No. 3

In the title of the printed bill, as amended in Assembly May 26, 1955, strike out lines 1 and 2, and insert "An act to add Article 10.6,".

Amendment No. 4

On page 1, strike out lines 1 to 21, inclusive; strike out all of page 2; and on page 3, strike out lines 1 to 17, inclusive, and insert

"SECTION 1. Article 10.6 is added to Chapter 5, Title 8 of the Government Code, to read:".

Senate Bill No. 1885 ordered to the unfinished business file.

RESOLUTIONS

The following resolutions were offered:

By Senator Brown:

Senate Resolution No. 182

Relative to duties of Secretary of the Senate

Resolved, That the Secretary of the Senate be and he is hereby directed to take custody of and care for all Senate documents between sessions of the Legislature and to prepare files of all bills and other records of the Senate and to deposit such books,

bills and other records with the Secretary of State as provided by law, to attend to the correspondence of the Senate, to inform the public upon measures enacted and to mail to such of the public as may apply therefor copies of legislative enactments as provided in the Joint Rules of the Senate and Assembly, and be it further

Resolved, That the Secretary is further directed to supervise the indexing, correcting, comparing and proofreading of the Journal of the Senate and make the information therein contained readily available for use of Members of the Legislature, state officers and the general public, as a permanent record of the business transacted during the 1955 Regular Session of the Legislature, and to complete the compilation of the Constitution and the book on the California Legislature, and to attend to the distribution thereof, and be it further

Resolved, That the Secretary is further directed to prepare and, at the expiration of the bill signing period, have published a Final Calendar of the business of the 1955 Regular Session, said Calendar to comprise the history of all bills introduced, their authors, the number that shall have become laws, those that shall have been read a second time, and any and all such other information as will provide a perfect history of the session's business and a guide for the information of subsequent sessions of the Legislature. When said Final Calendar is prepared, the Secretary is directed to forward one copy to each public library in the State and shall distribute others as by Joint Rule No. 13 provided, and be it further

Resolved, That all of the publications above provided for are to be ordered by the Secretary pursuant to the provisions of Senate Rule No. 52 and Joint Rule No. 18 and paid for from the Legislative Printing Fund, and the State Printer is hereby ordered and directed to prepare and print such publications as directed by the Secretary.

By Senator Harold T. Johnson:

Senate Resolution No. 183

Relative to the antilitterbug campaign in Placer County

WHEREAS, Perhaps the greatest single source of pleasure and inspiration to residents and visitors of California is the beauty of the many and varied landscapes in the State; and

WHEREAS, The unsightly trash on the roads and highways of the State not only constitutes an eyesore but also detracts greatly from the beauty of the scenery; and

WHEREAS, The Placer County Chamber of Commerce, the Placer County Health Department, the merchants of Placer County, the Division of Highways, the California Department of the Highway Patrol, and the State Department of Agriculture, by their joint efforts, are promoting an antilitterbug campaign along state highways and roadways throughout Placer County, such campaign to be in full effect by July 4, 1955, and throughout the summer; now, therefore, be it

Resolved by the Senate of the State of California, That the Placer County Chamber of Commerce, the Placer County Health Department, the merchants of Placer County, the Division of Highways, the California Department of the Highway Patrol, and the State Department of Agriculture be complimented on their joint effort in promoting the antilitterbug campaign along state highways and roadways throughout Placer County; and be it further

Resolved, That the Secretary of the Senate be and he is hereby requested to call the attention of the various organizations and agencies herein referred to of the adoption of this resolution.

Resolution read, and, on motion of Senator Harold T. Johnson, unanimously adopted.
